

The Cause...

Kingdom Investors is a local non-profit group of business people who help support charitable projects all over the world, from an abandoned baby center in China; a Teen Challenge drug rehabilitation center in Capital Heights, MD; to a children's center in southeast Washington. There are no paid employees or overhead costs paid by Kingdom Investors. The part time staff is made up completely of volunteers.

We realized that many of us have been blessed. We felt the need to help the less fortunate and children who could not help themselves. We wanted to make a difference. Many businesses and individuals feel the same way and want to help. Many are willing to give but want to be sure where their donations are going. Will they make a difference? That is why we started Kingdom Investors. The way Kingdom Investors operates, with its accountability and no overhead structure, it provides the perfect opportunity for people to make that difference.

Since our inception in 2002, over \$160,000 has been raised and distributed to the selected humanitarian projects. Our relationships with missionaries and NGO's here and around the world allow us to identify suitable projects that meet the basic needs of people.

Hunters Oak Golf Course
Queenstown, Maryland

The Course...

Picture yourself on the golf course at Hunters Oak, surrounded by a magnificent British links layout carved from the natural beauty that embodies Maryland's Chesapeake Bay region. A par 72, true British-style, championship golf course is the cornerstone of the Hunters Oak experience. Playing 7,072 yards from the championship tees, the course—designed in the spirit of the ancient courses of Old Britain, artfully entwined throughout the beauty of Amberly Estates.

Our Course...

Now, picture yourself helping someone set a new course for their life—by giving a young man a chance to recover from a drug addiction; by helping a young prostitute become free from a life of slavery; by saving an abandoned baby's life; or providing a bed and food to a homeless child. Together we can chart this course and make a difference. It can be as easy as playing golf for charity and doing your part as a sponsor.
