

The Cause...

Kingdom Investors is a local non-profit group of business people who help support charitable projects all over the world, from an abandoned baby center in China; a Teen Challenge drug rehabilitation center in Capital Heights, MD; to a children's center in southeast Washington. There are no paid employees or overhead costs paid by Kingdom Investors. The part time staff is made up completely of volunteers.

We realized that many of us have been blessed. We felt the need to help the less fortunate and children who could not help themselves. We wanted to make a difference. Many businesses and individuals feel the same way and want to help. Many are willing to give but want to be sure where their donations are going. Will they make a difference? That is why we started Kingdom Investors. The way Kingdom Investors operates, with its accountability and no overhead structure, it provides the perfect opportunity for people to make that difference.

Since our inception in 2002, we have raised over \$5 million and have distributed it to selected humanitarian projects in the U.S. and around the world. Our relationships with missionaries and NGO's here and around the world allow us to identify suitable projects that meet the basic needs of people.

The Course...

The tournament will be held at Renditions in Davidsonville MD. This is an excellent course which replicates many holes of world famous courses, including Amen Corner from Augusta and the Island Green from TPC Sawgrass. Please come out and enjoy the beautiful surroundings. Space is limited so please book your foursomes early.

Our Course...

Now, picture yourself helping someone set a new course for their life—by giving a young man a chance to recover from a drug addiction; by helping a young prostitute become free from a life of slavery; by saving an abandoned baby's life; or providing a bed and food to a homeless child. Together, we can chart this course and make a difference. It can be as easy as playing golf for charity and doing your part as a sponsor. Last year alone from your support, we were able to help hundreds of families who had their houses damaged by hurricanes that battered the southern United States.

Directions from Washington, D.C.

From the Capital Beltway (I-495), head east on the John Hanson Highway/Route 50. Go south on rt 424. make a right at 214. the course will be on your right just before you cross the Patuxent river.
